Patent Pending

Door overview:
This high quality personalized element adds fun and interest to a room before you have even entered it. This solid wood core birch door is built to fit a standard size doorframe for easy installation. The half door (dutch) provides a child unique access to their room and when locked provides the parents the safety typically requiring an unsightly infant gate.

Built in multiple standard interior door sizes. Door ships 2 slabs (top and bottom) mini-door installed on lower section. 4 hinges, 1 top door sliding lock, 1 privacy knob, 1 sliding gate lock shipped unattached (used for mini-door).

MAIN DOOR Size / Dimensions Overall:
A 28″ x 6′- 8″
B 30″ x 6′- 8″
C 32″ x 6′ - 8″
D 34″ x 6′ - 8″
E 36″ x 6′ - 8″

MINI-DOOR Size / Dimensions Overall:
17″ x 34″

Boxed Weight:
70 pounds

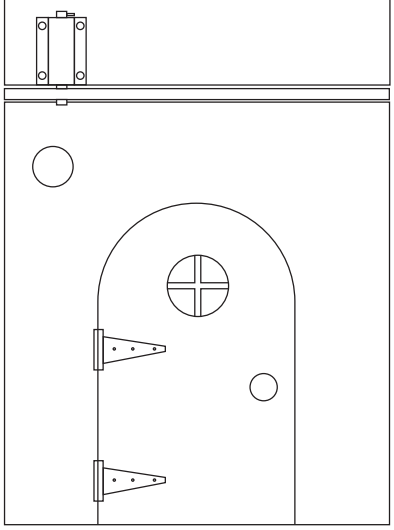

Materials / Composition:
Solid wood core birch door, oak mini-door

Cleaning Instructions:
Moist cloth (standard household cleaners)

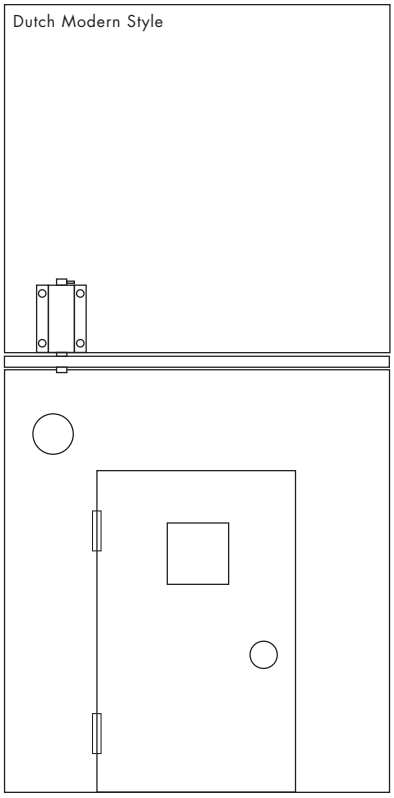

Standard Color:
White (primer) / Urethane mini-door

Delivery/Shipping with:
2 slabs (top and bottom) mini-door installed on lower section. 4 hinges, 1 top door sliding lock, 1 privacy knob, 1 sliding gate lock shipped unattached (used for mini-door).
